The Frederick County chapter of the Maryland Municipal League is pleased to offer one \$1000 academic scholarship opportunity to Frederick County high school students who have been accepted into a college or university in a graduate or undergraduate program. Preference will be given to students preparing for a career in governmental or public service. The scholarship is being provided through the Frederick County Chapter of the Maryland Municipal League MML). MML is a nonprofit nonpartisan association representing over 150 cities and towns throughout Maryland. The MML works to strengthen the role and capacity of municipal government through a variety of services to include legislative representation, research, training and technical assistance.

The Scholarship committee will take into consideration the following:

- Extracurricular activities
- Involvement within your community
- Scholastic record
- Character

Any person who has previously been awarded this scholarship (2) successive years will not be awarded a scholarship a third successive year: However, that person may apply next year following, and be considered as a first time applicant.
